

private charter - the lady Sarojin luxury boat

cruise, snorkel in the similan islands, 1.5 hour by transfer on the lady sarojin. the similan island are renowned for their underwater beauty, marine life and coral, soft white sand beaches and lush

interiors. with reefs beginning only yards from the white sand beaches and visibility of up to 30 meters deep, the island offer superb snorkeling as well as a unique diving experience where even novice swimmers can enjoy an underwater world usually reserved only for divers.

our luxury boat, the lady sarojin, is exclusively available for guests to privately charter. these days are spectacular and offer an opportunity to create some special memory.

between november - may, the lady sarojin rests off the beach at the sarojin, which gives guests access to the lush reefs of the costal islands. these private charters can be for snorkeling & sunset cruises.

private charter days are designed to individual guest requirements and are all inclusive of equipment, guides towels, gourmet lunch and all day open bar serving beers, sparkling wine, wines, soft drinks, water
